Consultant for Life Skills Training and On-Site Project Operational Support

16-02-2026

Background on Save the Children

Save the Children is the leading global independent organisation for children. Save the Children believes every child deserves a future. Around the world, we work every day to give children a healthy start in life, the opportunity to learn and protection from harm. When crisis strikes, and children are most vulnerable, we are always among the first to respond and the last to leave. We ensure children's unique needs are met and their voices are heard. We deliver lasting results for millions of children, including those hardest to reach.

We do whatever it takes for children – every day and in times of crisis – transforming their lives and the future we share.

Our vision: A world in which every child attains the right to survival, protection, development and participation.

Our mission: To inspire breakthroughs in the way the world treats children, and to achieve immediate and lasting change in their lives.

Our values: Accountability, ambition, collaboration, creativity and integrity.

We are committed to ensuring our resources are used as efficiently as possible, in order to focus them on achieving maximum impact for children.

Background information/context

The 'Skill Up – Pathways to Success' project, implemented under the EU for Labour Market Inclusion (EU4LMI) initiative funded by the European Union, aims to enhance the employability of vulnerable and low-skilled unemployed individuals. The project focuses on developing foundational literacy, numeracy, and digital skills among NEET youth, young mothers, social assistance beneficiaries, and persons with disabilities in the municipalities of Elbasan, Librazhd/Prrenjas, and Cerrik.

Objective

The objective of this assignment is to engage a qualified consultant to deliver structured Life Skills training to project beneficiaries under the Skill Up – Pathways to Success project, while providing on-site administrative and operational support, field-level coordination and monitoring to ensure the effective implementation of daily project activities at the designated project site.

The consultant will contribute to strengthening beneficiaries' employability, personal development, and social inclusion, and support the smooth coordination, documentation, and

operational functioning of project activities in line with project workplan, donor requirements, and Save the Children procedures.

Location and official travel involved

Elbasan, Librazhd, Prrenjas, Cerrik

Services the Supplier will provide

1. Delivery of Life Skills Training

- Deliver structured Life Skills training sessions to project beneficiaries in accordance with the approved curriculum, training schedule, and project methodology.
- Ensure that training delivery is aligned with the objectives of the Skill Up – Pathways to Success project and supports beneficiaries' employability, personal development, and social inclusion.
- Apply participatory and inclusive training methodologies adapted to the needs of NEET youth, young mothers, persons with disabilities, and other vulnerable groups.
- Monitor and record beneficiary attendance and participation throughout the training cycle.

2. Field Coordination, Monitoring, and On-Site Operational Support

- Work in close collaboration with SCUL program consultants/teachers to ensure alignment between Life Skills and vocational/technical training components.
- Coordinate regularly with assigned mentors to monitor attendance, identify learning gaps, and address barriers affecting beneficiary participation.
- Monitor beneficiary engagement and proactively identify risks of dropout or irregular participation.
- Participate in coordination meetings and provide field-level updates as required.
- Support daily operational implementation of project activities at the designated site.
- Maintain accurate and complete documentation (attendance sheets, activity records, supporting evidence) in compliance with project and UNDP/EU4LMI requirements.
- Support logistical arrangements for training delivery, including preparation of materials and classroom organization.
- Facilitate effective communication between beneficiaries, trainers, mentors, and project staff.

- Contribute to data verification processes for monitoring, reporting, and audit purposes.

3. Reporting and Documentation

- Provide periodic updates to the Project Coordinator/Project Officer on training progress, participation levels, and operational matters.

- Contribute to data collection and verification processes required for monitoring, reporting, and audit purposes.

- Ensure that all documentation is accurate, timely, and compliant with UNDP/EU4LMI and Save the Children procedures.
